PARK SECURITY

If you see anyone who looks like they do not belong in the park, especially at an odd hour, **CALL 911 FIRST**

The San Leandro Police has advised us to leave our front and back porch light on all night. NON-EMERGENCY number for the police dept. is (510) 577-2740

Brandenburg Staedler, Mission Bay, L.P. Brandenburg, Staedler & Moore and their respective partners, managers and employees, individually and collectively assume no responsibility for the content of the publication herein and shall be hel harmless against any suit, demands or liability arising therefrom.

FROM THE EDITOR

Dear Mission Bay Community,

Hello and welcome back to our Mission Bay News! My name is Rube and the new Editor of the paper. Jane Grayson, our former Editor has handed me the reins to the newsletter. I want to thank her for all the hard work and the inspiring articles over the last few years.

Inside, you will find all the articles that all of us have enjoyed reading such as the birthdays and anniversaries, the crossword puzzle, the list of classes that are available to the residents in the monthly calendar and others. I have also included some new features and articles that I gleaned from the web, the San Leandro Times and other publications that I hope you will find interesting and enjoyable.

I welcome comments and articles from all of you as this is ***our community newsletter*** to enjoy and to stay informed. If you have an article, a recipe, a photo, an event, a story, helpful hints, classifieds, or poetry that you would like to share, please send them at missionbaynews@gmail.com with your first and last name. We are also working on updating our list of birthdays and anniversaries. Please shoot an email so the community can celebrate the happy occasion with you. Submissions are due on the 10th of the month for next month's printing. Please send in a digital format such as Microsoft Word as we don't accept hard copies. In keeping with tradition, we will keep politics out of the newsletter and please do not submit issues you may have with a neighbor or management as they will not be published.

I want to thank the contributors that inform and make our newsletter interesting with their thought provoking articles. A special mention and appreciation for Peter Cleveland and the VIEU Block Captains for keeping our community educated about safety. Last but not least, a big "thank you!" to our dedicated volunteers. They deliver the magazine each month to ensure you have a copy in your mailbox. If you would like to volunteer, please contact me, I hear it's a good way to get exercise.

Mission Bay News Crew

Many thanks to our News Crew who organize and deliver our monthly magazine! You are appreciated!

Health Matters

THE BENEFITS OF TAI CHI

by James Gamble

Tai Chi, which translates to "the flow of energy," has been practiced every day somewhere in the world for the last 4,000 years. It is a series of moves, many which are repeated, which gently stretches every muscle, joint and tendon in your body.

The combination of these movements is put together in a form of a slow dance. Doing this dance from start to finish takes about seven minutes. Advanced practitioners can slow it down to 14 minutes as they get better at it. Some people take a year to learn it all. Some students have learned it in two weeks. Like all new projects, it depends on how you apply yourself to learn it.

In addition to stretching, it teaches the student how to improve balance. It causes one to be aware of your body and how you are standing at all times. A study on Tai Chi determined that senior students who have been doing it for over a year determined that senior students who have been doing it for over a year are 50% less likely to ever fall down. And because it gently strengthens your muscles and bones, if you do slip and go down, you are 50% less likely to break a bone, or hip.

Tai Chi is practiced very day of your life. I have been doing it for 22 years. If you miss a day it is okay. **I teach Tai Chi in the Recreation Room Saturday mornings at 10:00.** There is no charge for doing this except a commitment to be willing give up pain from walking and your cane. The average age of our students is 80 years old. We have been doing this for a year. Those of us who practice Tai Chi are in good health, feel good and our bodies do not hurt. Two years ago I had cancer surgery. I was told that the typical recovery time for someone my age is six to eight weeks. In three weeks I was off the pain meds and going out dancing.

It works for us. Maybe it will work for you.

October is Emotional Wellness Month, and this year it's especially important that we take time to decompress, unwind and nurture ourselves during these stressful times.

1-Minute Tip: Set a daily goal. Take one minute out of your morning to set a goal for the day. Completing a goal such as putting away your laundry or washing the dishes is a way to stay on top of your day. When you cross off items on your to-do list (no matter how small the task), you feel a sense of accomplishment which helps reduce daily stress buildup.

5-Minute Tip: Create a daily affirmation. Take five minutes at the beginning of your day to address your biggest stressor - identifying the key issue, creating a positive affirmation about it and repeating it to yourself throughout the day. Are you anxious about your weight? Your affirmation could be "My weight does not define me, and I deserve love." Or if you're questioning whether you're on the right path, you could say "I trust that I am headed in the right direction."

15-Minute Tip: Take a break. It is incredibly important to strive for balance between work and play, especially in times like these when boundaries are blurred. There is a time to be productive, but don't be afraid to take breaks and spend time doing things you enjoy to break up the day. Take 15 minutes a day to unwind by watering your plants or walking your pet. This will motivate you and boost your daily productivity.

30-Minute Tip: Decompress without screens. In an increasingly digital world, it is important that we take a step back from our screens at least once a day. The time we spend online, in email and on social media platforms affects our emotional health by overwhelming our brains with information. Make sure you take at least 30 minutes a day to fully unplug, turn off electronics and do something you love - while leaving your phone turned off or stored in a safe place.

MBRA News

Mission Bay Residents Association

This year, 2022, has been a very busy time for the MBRA. Here are the projects we took on this year and where we stand today!

Modifications to the Rent Control Ordinance: After a thorough review of the Rent Control Ordinance passed in 2019, MBRA found several loopholes and omissions in it. Our MBRA President compiled a list of additions and corrections that should be made and sent it to the City personnel involved with Community Development and Housing and to City Council members. There is ongoing communication with our President and City Staff about keeping this project a high priority.

Decision on Temporary Rent Increase to Repair Back Wall: In what we consider a repair to the wall and is, MBRA challenged the rent increase; however the ordinance includes repairs as an acceptable part of a capital replacement, so we lost that case. For financial reasons, we decided not to appeal. A Park resident did go forward with an appeal based on some words used by our landlord in the case but deemed technically incorrect by the City. We hope that this appeal is decided in our favor.

MBRA Bylaws Rewrite: The 1972 Bylaws were reviewed and rewritten by the Bylaws Committee. They will be published for members of the community to comment on and ratify. Once they are ratified the MBRA Elections process will begin and elections will be scheduled.

Reinstating Nonprofit Status of MBRA: All paperwork requested by the FTB in order to dissolve the old non-profit status was submitted to the FTB by the MBRA Secretary/Treasurer. The FTB gave conditional approval of our request for Pre-Dissolution Tax Abatement. Two additional forms were sent to the Secretary of State for final approval. Upon this final approval, our current non-profit status will be dissolved. With the completion and approval of the rewritten Mission Bay Bylaws we will then file for non-profit status under the correct category. When this gets approved by the FTB we can then open a bank account and accept donations as tax-deductible items.

Community Directory: The Community Directory was published and distributed in August by the MBRA Vice President. Information was collected from around 200 homes. About 2/3 of those home wanted to be listed in the Directory. The rest of the homes who gave information wanted it used by the MBRA only and didn't want to be in the Directory.

Activities Calendar in Clubhouse: A calendar was created by the MBRA Secretary/Treasurer showing the Park activities. It is now posted in the clubhouse big room.

Resident Survey: A new project is starting that will ask Park residents if they have any concerns or issues about living in Mission Bay Park. The survey is currently being developed.

The MBRA Board meets at 10:am on the first Saturday of every month. Community Members are welcome and encouraged to attend these monthly meetings. For more information or communication with Board Members, please email us at mbhoasl@gmail.com or look online at NextDoor.com/Mission Bay where you can find the latest MBRA news. – MBRA Vice President

The VIEU

Another Disaster Ahead

by Peter Cleveland

We have all seen reports of the terrible floods in Kentucky and other places, but scientists have recently published the results of a study that suggest that California will likely experience a flood worse than anyone alive has seen, with Sacramento and Los Angeles devastated and large parts of the San Joaquin and Central Valleys under water for weeks. While Mission Bay might not be under water from what they are calling an ARKstorm, much of the surrounding area would be, and the results would be the same for us as a major earthquake: roads closed, power and telephone out.

We don't know when it will happen, but we should prepare for it just as we prepare for a large earthquake, with supplies to last several weeks stockpiled.

The Great California ShakeOut 2022

Speaking of preparation, our annual disaster drill, the Great California Shakeout, will be on Thursday, October 20, beginning at 10:20 a.m. VIEU Block Captains will patrol their areas checking that everyone is all right. Be sure to put out your OK/Need Help signs. If you don't have a sign you can pick one up in the Center, next to the VIEU mailbox by the office. After the drill the block captains will meet in the main room at the Center. All residents interested in joining VIEU and helping us be prepared for the next earthquake are invited to attend.

Notice to Block Captains

In preparation for the drill, Block Captains should check over their equipment. Make sure all two-way radios are ready with fresh batteries, and practice turning them on and setting them to Channel 5, SubChannel 5. If you need help, call Pete Cleaveland at 510-351-1742.

園區內志願者應急組織(VIEU)信息

另一場災難即將來臨

我們都看到了肯塔基州 (Kentucky) 和其他地方發生可怕洪水的報導，但科學家們最近發表了一項研究結果表示加州可能會經歷一場比任何人都曾目睹過更嚴重的洪水泛濫。沙加緬度 (Sacramento) 和洛杉磯會遭受重創，大部分San Joaquin和中央山谷地區將被淹沒數週。 雖然 Mission Bay可能不會因為所謂的「方舟風暴」而被淹沒，但周邊的大部分地區可能將會淹沒在水下。結果對我們來說就像一場大地震：道路關閉、電力和電話中斷。

我們不知道它什麼時候會發生，但我們應該像為大地震做準備一般做好儲備可以維持數週的物資。

2022年度全加州大震動活動 (Great California Shakeout)

說到準備，我們的年度「加州大震動」災難演習，將於10月20日星期四六上午 10點20分開始。VIEU 街道隊長將在他們負責的區域巡視，查証大家都是否安然無恙。請務必在前窗的一側放上印有 OK（好）或 NEED HELP （需要幫助） 的標誌牌子。如果您沒有牌子，可以在會所辦公室旁邊的VIEU郵箱旁邊領取一個。

演習結束後，街道隊長將在會所大廳集合。歡迎有興趣加入VIEU及幫助我們為下一次地震做好準備的住户參與。

隊長通知

在準備演習時，隊長應檢查他們的設備並確保所有雙向無線對講收音機都準備好並使用新電池，練習開關並設置為5號頻道及5號子頻道。如果您需要幫忙，請聯繫 Pete Cleaveland 電話 510-351-1742

Home Sweet Mobile Home

The leaves are falling, pumpkins are showing up at the market, and the cozy comforts of home beckon — it must be October! Make the most of this month's bountiful harvest, get some exercise walking around the park in the brisk air, and button down your home in preparation for winter. Then sit back, relax and warm your hands around a mug of hot apple cider.

Things to Check Off Your List in October

1. Check safety devices. Test smoke and carbon monoxide detectors in your home, replacing batteries as needed. Check the expiration date on the kitchen fire extinguisher and replace it if needed.

2. Start a gift list. It may seem as though the holidays are a long way off, but that's why it pays to start getting organized now. Start a list of everyone you plan to give gifts to this year, and as ideas strike, jot them down on your list. You can also use your list to keep track of a holiday gifting budget. And if you want to make any gifts by hand, October is a great time to get started — handmade gifts always seem to take longer to make than expected.

3. Decorate for Halloween. If you're planning to participate in Halloween festivities — whether you're working on an elaborate display or simple door decor — it helps to get an early start on shopping (or crafting).

4. Cover or store outdoor furniture and grills. If you plan to leave your patio furniture or grill outside through the fall and winter, cover them well. Even in the mild climate of the Bay Area, covering your grill between uses is a good idea to preserve the finish.

THINGS TO DO

ACTIVITIES
Saturday, October 1, 2022 12 PM - 5 PM
Made in San Leandro Celebration Day
Address: Drake's Brewing Co.
1933 Davis St. #177, San Leandro, CA 94577
21Amendment/Drakes - family-friendly event between two breweries and includes food trucks, kid zone, ice cream and much more!

October 1, 2022, 10:00 AM - 12:00 PM
San Leandro Butterfly Garden Monthly Work Day at the San Leandro Butterfly Garden, San Leandro Blvd. across from San Leandro BART

Through the summer and fall we will have regular weeding parties each first Saturday of the month from 10am-12pm at San Leandro Blvd. at Estudillo Ave, across from San Leandro BART to keep the garden in good shape and enjoy the changes through the seasons. Join us on any or all of those days! Refreshments and tools provided.

October 15, 2022, 11:00 AM - 3:00 PM
Ride Electric at the Berkeley Harvest Festival
Cedar Rose Basketball Courts, 20 Virginia Gardens, Berkeley (across from North Berkeley BART station)

Test ride electric cars, bikes, and scooters at the regional Harvest Festival in Berkeley with City of Berkeley, Ecology Center, Electrify America, Charge Across Town, and other community partners!

Learn more and register to attend the event at https://tinyurl.com/RideElectric2022

LIVE THEATRE
October 22 - Nov. 20, 2022, Saturdays at 8 PM
Sunday Matinees at 2 PM
San Leandroplayers.org (510) 895-2573
320 W. Estudillo Ave., San Leandro, CA 94577
Chemical Imbalance: A Jekyll and Hyde Play

The play is a darkly comic adaptation of Robert Louis Stevenson's Strange Case of Dr. Jekyll and Mr. Hyde in Victorian England. A fast-paced romp about men and women tightrope walking the line between aristocracy and depravity.
Seniors: $15

Answer to puzzle towards back page

Laughter is the Best Medicine

OCTOBER

- ✓ The summer harvest continues but the end is in sight. As you harvest, clean up all debris; it hides bugs and diseases.
- ✓ Continue to care for cool-season vegetables and flowers planted in September.
- ✓ Cole crops, lettuce, green onions, potatoes, peas, etc. can still be planted but will probably not fruit until the spring.
- ✓ Ditto for cool-season annuals unless already blooming (try 4-inch pots).
- ✓ Spring bulbs (daffodils, hyacinths, grape hyacinths, etc.) can be planted this month and next. Tulips must first be chilled before planting.
- ✓ Plant garlic and shallots after October 15 to harvest next summer.

Fall moving into Winter: October, November and December are the best time to get the garden ready for spring.

- ✓ Plant cover crops (also called green manure or compost crops) such as fava beans
- ✓ As you pull up old crops and rake up leaves, compost, compost, compost. You'll need the finished compost in the spring.
- ✓ Fall is a great planting time for perennials and California Natives in our climate. Cut back and divide leggy perennials or plant new ones. Plant shrubs and trees.
- ✓ As plants slow down, stop fertilizing. Water as necessary and consider turning off irrigation systems.

*Excerpt from the UC Master Gardener Program of Alameda County

G S M O L
CHAPTER 518
J O I N U S

The Golden State Manufactured-Home Owners League (GSMOL) is a non-profit organization formed almost 60 years ago to protect the home values and quality of life of Mobile Home owners. In addition to working with the State of California and local legislatures, GSMOL works daily at the State level lobbying for legislation that will benefit Mobile Home owners. Through our Emergency Legal Fund (ELF), GSMOL pursues violations of the Mobilehome Residency Law (MRL798…) which protects Mobile Home owners.

To help GSMOL continue to provide these and other services,

we invite you to join today.
